

CASE STUDY: WOLF PAY

MULTI-LOCATION MANUFACTURER

OVERVIEW

A large manufacturer with multiple locations that was constantly paying late fees, engaged Wolf Pay to oversee the payment of monthly billed services, including but not limited to utilities.

Wolf Pay was not only able to eliminate late fees and disconnects but also saved the client the cost and use of countless admin hours that were needed elsewhere.

RESULT

\$64,000
ANNUAL SAVINGS

The client saved \$64,000 in late fees and admin cost annually.
